Dear Homewoner,

After viewing your home, we know in our hearts that this is the one. The location, energy, and overall warmth fits our style and the future we picture for our family.

We know the market is competitive, so we'd like to tell you a bit about us.

<Use this space to tell your story! Explain why you love their home and how it fits into your life. Provide examples of how you (and your family, if applicable) see yourself using their space and the location. The more you can connect with their emotions, the better!>

[We/I] understand that with a home like yours, you probably have plenty of buyer options. But with [me/us], you know it'll be in good hands.

Thank you for taking the time to read [our/my] story!

Sincerely,

I know the market is competitive, so I'd like to tell you a little about myself.
